## To Whom it may Concern:

**This is to Certify,** That I have this Twentieth day of September, 1901, completed the inspection of the nursery stock of The Bay State Nursery, grown at North Abington, State of Massachusetts, and find it to be apparently free from the San Jose Scale and other injurious insects and diseases which might be transferred on Nursery Stock from the Nursery to the orchard or garden.

This certificate is good until July 1, 1902.

We usually begin digging and packing about the 1st of October in the Fall and April 1st in the Spring.

## DIRECTIONS FOR SHIPPING.

*Parties ordering are requested to state explicitly the mode of conveyance by which they desire their stock forwarded. When no route is designated, we exercise our judgment; but in no case do we assume any responsibility after packages are shipped, unless for our own mistakes. ## CONDITIONS OF SALE.

FIRST.—The articles on the following list will be furnished at the annexed prices only when the quantity specified shall be taken. *Five hundred* will be furnished at the *thousand* rate, *fifty* at the *hundred* rate, and *five* at the rate per *ten*. *In no case will we supply long list of selected varieties, two or three of each, of either Shrubs, Vines, Ornamental Trees or Plants, to Nurserymen or others, at wholesale rates, when single rates are not given, except Evergreens; but at a price equal to twice the 100 rate, for example: If a plant is listed \$1.50 for 10, \$10 for 100, 20 cents would be charged for single plants or in numbers less than 5 of a kind.*

SECOND.—While we exercise the greatest care to have all Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, *we do not give any warranty, expressed or implied; and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods. No complaints will be considered that are not made within 10 days after receipt of stock.*
